Nobody knows about it yet.

It can't be! I don't believe you.
That is Honda, right?
His hair is really green.
Honda was definitely

My sister is from his class.
Really introduce me to him!

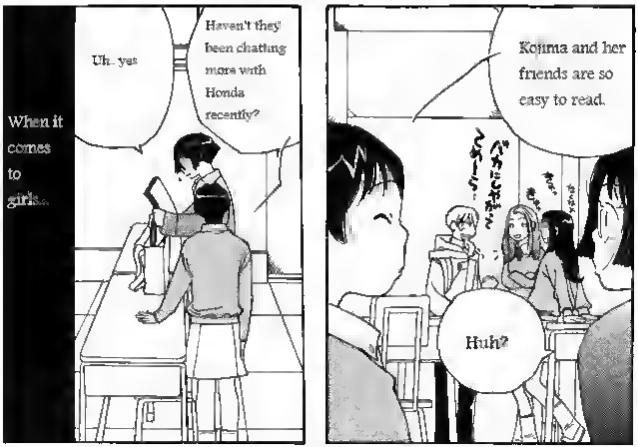
Hi. ♡
Have you seen this?
You're annoying!
My sister already shown this to me!

You're all annoying. Stop bothering me!
How about taking the opportunity to just enter the showbiz?
Good morning.
Good morning Naka-chan.



When it comes to girls...
Uh.. yes
Haven't they been chatting more with Honda recently?
Kojima and her friends are so easy to read.
Huh?

[How dare you tease me] [*laughing* Don't cry]

Before this, they did not even take note of him
After the cultural festival, they try so hard to get his attention.
Especially the girls in my class
It's just for their egos
They just want to show that they are close to Honda.
I feel, unceasingly that they are very snobbish.
All the girls have been talking about Honda
Even since Honda appeared in that magazine,
Everyone finds it easy to interact with Honda.
It is quite easy to tell what they're thinking.
[It's irritating.] [Forget it.]

Stand up
Bow
A person like me...
Can the students on class duty please take the journal.
It... it's me.
Isn't it my turn?
Really?
Honda, too!

Hey
Hand me the journal.
Hey future celebrity
Don't talk nonsense!
Anyway you are the "Johnny style hottie."
はははは
I also want to be called a "pretty boy"
Shut up!
Why not just aim to become an idol?
Whatever Id-iot.

 [Everyone, it will be the start of the term this next week.]

Future plans.
That's all.
Consider about your own abilities and the opinion of your parents.
After that, there will still be a three way discussion.
Which school will Honda try to enter?
Before that please fill in the survey regarding your future plans
High school?

That's the end of the morning meeting.

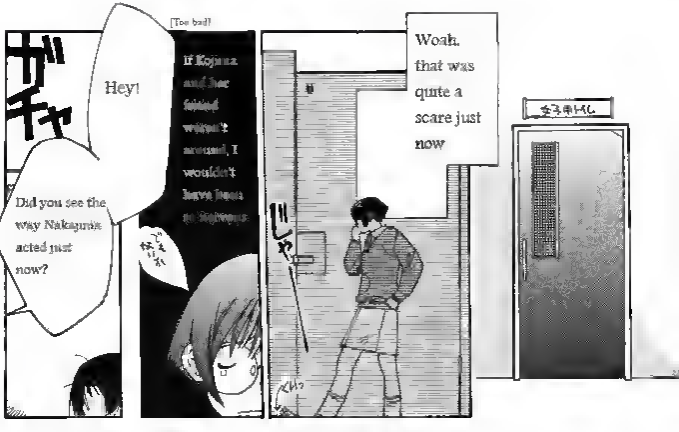
Stand up

So are you still going to become an idol?
How annoying.
Yea But their uniform is so ugly.
Or maybe, Sakuragaoka?
At least Higashi High.
Going to Nishi High wouldn't be a problem for everyone
And it's near
What?
So all girls choose their high school like that?
Eh?
It's weird.
That is probably the norm.
Yeah.
No way!
Not everyone is like the both of you.
Why am I getting angry .

I didn't do anything. You actually made Nakajima write the journal herself!
Huh
It hurts! What is that for!
Ouch
This
It is okay. I can write it myself
See
No! You have to do class duty together
Anyway she agreed to it
Please stop making matters worse teacher
It is just as she said.



[Too bad!]
If Kojima and her friend weren't around, I wouldn't have been in trouble.
ガチャ
Hey!
Did you see the way Nakagawa acted just now?
Woah, that was quite a scare just now
女子トイレ
Acting like a goody two shoes
It makes me want to puke.
Of course!
but it doesn't matter anyway.
Maybe she likes Honda.
What's she doing?

[Hahaha, you're right.] [Oh, class has started.]
Anyway, she is really ugly
But, they are right...
[Anyway, I am a freak with spectacles but...]
To tell the truth
I'm really ugly
Let's hurry
Kojima!
Aihara!
[I am angry!]

[Let's go.] [Thanks.]

So, I'll leave the journal to you
Okay sure.
What's with you. why are you being so polite...
キーン コーン カーン
Woah!
Didn't I say that you'll have to do class duty together?
You will have to pass up the journal together afterwards
.....

[How troublesome]

[You scared me!]

[Why did he suddenly bring that up?]

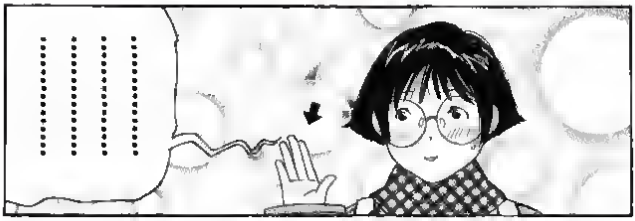
[I can't help it.]

What's wrong with her... she's crying!
Oops
Don't you agree Honda?
Don't ask me!
What's wrong?
It's all your fault!
Nakajima are you okay?
It's okay... stop crying
I am... sorry I am alright...
You definitely did it on purpose.
This must be hard to answer for youths your age
Oh I am sorry

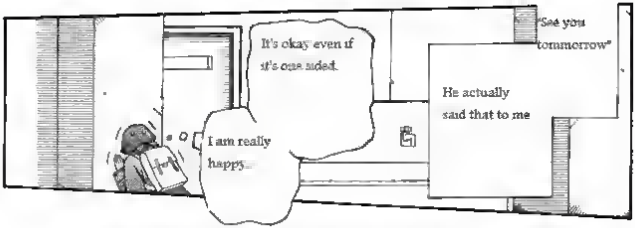
H: [A girl is crying. Disgusting.][Servin'you right.] K: [Please stop crying. Nakajima]
I was so happy to hear what the teacher said.
But,
I wouldn't say it even if I'd died.
す…
すすり
What the hell are you doing?
Two guys making a young girl cry!
I can't believe both of you!
There.
Wait a moment
Alright, both of you can head home
It's not me!
It's not me! It's this perverted lolicon teacher!

[Hand it in tomorrow]
What's the meaning of this?
You've to redo your portion.
Why?
Because you didn't even write a single word
You're definitely supppose to do your class duty together
Ugh
!!
Do your best
I'm probably should say something like that
[Damn you(..)]
Wow
It's just both of us now
It's great. What shall I do?
[Time to head home.]

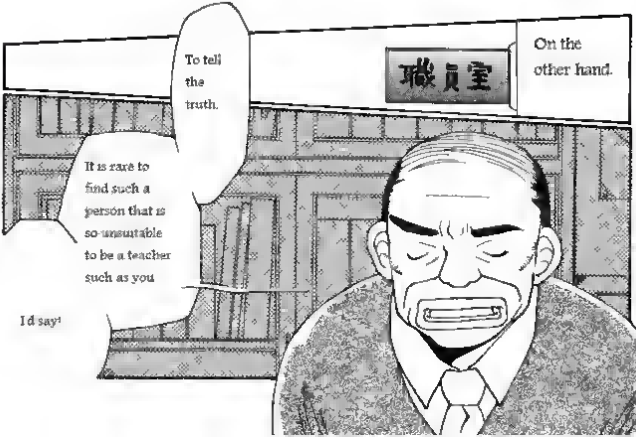
[Note: Honda is referring to using "polite" form but he is actually using quite a rude way of talking.]



「じゃあな」だって



-That is the end of Nakajima's warm hearted story



On the other hand.
職員室
To tell the truth.
It is rare to find such a person that is so unsuitable to be a teacher such as you
I'd say!

[What did you say?] [That's loud]
なんだとキィーッ!
Well.
What do you think?
I don't really care.
I don't plan to be a teacher forever
Is that so?
You..
Doesn't that happen often in our lives?
Is it the right expression?
"Being possessed by ambition"
ホントにお前は学生ときからちいーともかわらんじゃんかよ
What is with him nagging today?
Woah!
It seems to be a waste for me to give up my dream career as a musician
I only failed one audition anyway
[You never figure you out since you were a student]
[You naked me.]
[IDIOT!!]
[Youthful dreams]

No matter the endless speeches that Kamo sensei give..
Kanade probably would stay the same way his whole life..
He's really naggish.
And..
